Fundamentals of Federal Criminal Defense Track

AUGUST 20, 2009
HYATT REGENCY HOTEL
CHICAGO, ILLINOIS

This special day long presentation "Fundamentals of Federal Criminal Practice" is specifically designed for practitioners who are new to federal criminal defense practice. It will offer instruction on the areas most vital to providing an effective defense. New CJA Panel Attorneys have the opportunity to get instruction on both substantive and procedural federal criminal laws from seasoned federal public defender staff and panel attorneys from around the country.

"Learned lots of tips & strategies."

"Excellent! Great presentation & very important information."

"All the speakers were great and kept my attention the entire seminar"

-- Testimonials From
2008 Multi-Track Seminar, Los Angeles, CA

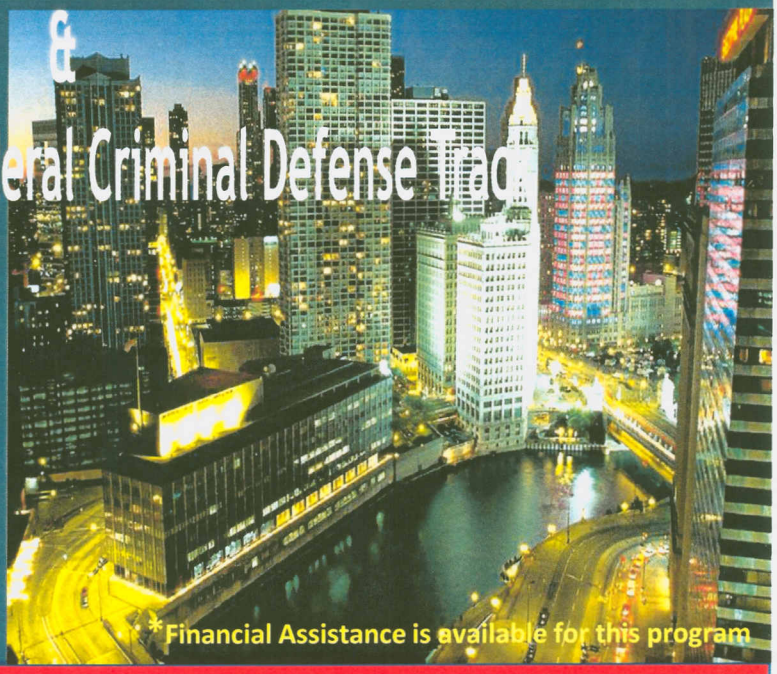
MULTI-TRACK FEDERAL CRIMINAL SEMINAR

&

Fundamentals Of Federal Criminal Defense Trial

AUGUST 20-22, 2009
HYATT REGENCY HOTEL
CHICAGO, ILLINOIS



*Financial Assistance is available for this program

The Multi-Track Federal Criminal Defense Seminar is designed to offer in depth instruction in a variety of substantive criminal topic areas. The tracks will be presented in distinct time blocks of four or more hours. The sessions will be presented on Thursday and then repeated on Friday. This design will allow seminar participants the opportunity to attend two of the separate tracks. On Saturday, seminar participants will have the opportunity to select from several additional topics.

In addition to the above-referenced tracks, the seminar will also include plenary sessions addressing topics of general interest and importance to criminal defense practitioners, along with the opportunity to attend small group breakouts covering a variety of substantive criminal defense issues.

"Learned lots of tips & strategies."

"Excellent! Great presentation & very important information."

"All speakers were great and kept my attention the entire seminar."
