10 IN RE: Bard Implanted Port Catheter
11 Products Liability Litigation

MDL NO. 3081

12 **AMENDED CASE MANAGEMENT**
13 **ORDER NO. 33**

14 **(Bellwether Group 1 Scheduling Order)**

15 Pursuant to Amended Case Management Order (CMO) 10 and CMO 31 (Docs. 2128,
16 2669), the Court entered CMO 33 (Doc. 2937) regarding discovery and motion practice
17 specific to the cases in Bellwether Group 1. The parties move to amend certain deadlines
18 in Section V of CMO 33 regarding case-specific experts. Doc. 3863. For good cause
19 shown, the motion is **granted**. The new deadlines are set forth below in **bold**.

20 **I. DEPOSITION PROTOCOLS GENERALLY**

21 A. CMO 21 (Doc. 617) shall apply to Bellwether Group 1.

22 B. The additional protocols of this CMO shall also apply to Bellwether Group 1.

23 **II. FACT WITNESS DEPOSITIONS PERMITTED**

24 A. Commencing three (3) days after the selection of the Bellwether Group 1
25 cases, the Parties may each take not more than five depositions of case-
26 specific fact (non-expert) witnesses in each case that is part of Bellwether
27 Group 1. These depositions may include Bard present or former employees
28 or Plaintiffs' friends and family only if the depositions will likely produce

1 probative evidence that could not reasonably have been obtained during
2 general discovery or during the discovery conducted for Discovery Group 1.
3 Before proceeding with a deposition of those categories of witnesses, the
4 parties should meet and confer about whether the deposition is appropriate
5 under this provision. If no agreement is reached, the parties will raise the
6 issue with the Court for resolution.

7 B. The parties may exceed this number by mutual agreement or Order of the
8 Court.

9 C. The parties shall make a good faith effort to identify the relevant fact
10 witnesses they intend to depose in each case in accordance with Section II.A.,
11 above, and exchange lists of those witnesses by **June 16, 2025**.

12 D. Thereafter, the parties shall make a good faith effort, on a rolling basis, and
13 in accordance with Section II.A., above, to identify any additional relevant
14 witnesses they intend to depose, as soon as those witnesses become known to
15 them or they determine the need to depose the witnesses.

16 E. Should either party object to the taking of a deposition proposed by the other
17 party, including objecting that one or more of the identified case-specific
18 depositions are disproportionate to the needs of the case (even if the
19 requesting party has not exceeded the numerical limitation set forth in Section
20 II.A., above), the parties will meet and confer on that issue, and failing
21 resolution, shall notify the Court of their need for a ruling on the propriety of
22 deposing such witness(es).

23 F. Examination of treating physicians.

24 1. By no later than five (5) days following the selection of Bellwether
25 Group 1, Plaintiffs shall supplement the list they provided pursuant to
26 Section II.B.1 of CMO 29 (Doc. 2218) of physicians whom they have
27 a good faith belief they would call as witnesses in their case-in-chief
28 for each Bellwether Group 1 case. By no later than ten (10) days

thereafter, Defendants shall supplement the list they provided pursuant to Section II.B.1 of CMO 29 of physicians not identified by Plaintiffs whom Defendants have a good faith belief they would call in their case-in-chief for each Bellwether Group 1 case.

2. For any physician deposed in Bellwether Group 1:

- a. Plaintiffs' counsel shall be the first examiner for any physician Plaintiffs identified in response to Section II.B.1 of CMO 29, or they have identified timely under Section II.F.1 of this CMO; and
- b. Defendants' counsel shall be the first examiner for any physician Defendants identified in response to Section II.B.1 of CMO 29 or they have identified timely under Section II.F.1 of this CMO, when that physician has not already been identified by Plaintiffs pursuant to the same.

III. PROTOCOLS RELATING TO TREATING PHYSICIANS

A. Ex Parte Communications with Treating Physicians

1. Defendants are prohibited from communicating *ex parte* with Plaintiffs' treating physicians, except that staff members and paralegals of the law firms representing Defendants may contact the physicians' offices for the sole purpose of scheduling those depositions in which they are the first examiner, pursuant to Section II.F.2.b., above, or where the parties agree that Defendants may contact the physicians' offices for the purpose of scheduling.
2. Plaintiffs' counsel may communicate *ex parte* with treating physicians.

B. Disclosure of Documents Prior to Depositions of Treating Physicians

1. If Plaintiffs' counsel has communicated *ex parte* with a treating physician who will be deposed, Plaintiffs' counsel shall identify by

1 production bates number (or by providing a copy if no such bates
2 numbers exist) to opposing counsel all documents provided, shown,
3 read from, or otherwise specifically described to the witness, other
4 than the physician's records of treatment, at least five (5) days prior to
5 the deposition, those five days to include and count weekends and
6 holidays.

7 2. For *ex parte* meetings with a physician that take place less than five
8 (5) days prior to the deposition:

9 a. at least 24 hours prior to the meeting, counting weekends and
10 holidays, Plaintiffs' counsel shall identify by production bates
11 number (or by providing a copy if no such bates numbers exist)
12 to opposing counsel all documents they intend to provide, show,
13 read from, or otherwise specifically describe to the witness,
14 other than the physician's records of treatment;

15 b. as soon as practicable after the meeting, Plaintiffs' counsel shall
16 disclose to opposing counsel all documents that were actually
17 provided, shown, read from, or otherwise specifically described
18 to the witness, other than the physician's records of treatment.

19 3. At least five (5) days, counting weekends and holidays, prior to a
20 physician deposition, all examining counsel shall provide to opposing
21 counsel and deponent's counsel copies of documents that may be
22 shown to the witness during the deposition or about which counsel
23 expects to examine a deponent, other than the physician's records of
24 treatment. The obligations of this section include the good faith
25 representations of counsel to identify only those documents actually
26 intended to be utilized during the deposition, not to exceed 40 in
27 number.
